We will be filming and taking photographs at the Spring Meeting. A small number of journalists are also registered to attend. If you do not wish to have your photograph taken, or to be interviewed by journalists, please make yourself known to an Academy staff member at the start of the meeting.

The Academy is grateful to the Royal College of Physicians, The Lancet and the Lord Leonard and Lady Estelle Wolfson Foundation for their support of this meeting and to the National Institute for Health Research for their core support of the Academy's Mentoring and Career Development Programme. The Spring Meeting was established by the Medical Research Society.
