

Clinical Academics in Training Annual Conference (CATAC)

Event competition application form summary

To submit an abstract for the CATAC 2023 event competitions you will be asked to fill in an application form. [Details of what will be included in this form are outlined within this document.](#) The application window is currently open and will close at **16.00 (GMT) on Friday 27 January 2023**– please see the [Academy webpage](#) for the latest information.

Please note: you may attend CATAC 2023 without taking part in either of the competitions. Event registration for non-competing attendees will open in Spring 2023.

What is included in the application form?

1. Personal details

Including: title and name (as you would like them to appear on the CATAC 2023 abstract booklet), contact information, job title, University and/hospital affiliation, broad clinical area, clinical discipline, information about your PhD (whether on-going or complete), twitter handle (optional) and ORCID iD.

2. Competitions and attendance

Including: which competition(s) you would like your abstract to be considered for and attendance confirmation if abstract is not selected for competition.

3. Abstract submission

Including: research disciplines and broad research category, abstract title, background (maximum 100 words), methods (maximum 100 words), results (maximum 150 words), interpretation (maximum 100 words) and details of funding sources.

3.a Extra information for Post-Doctoral Plenary Competition Applications

More detailed information on the wider implications of your research (maximum 150 words).

4. Authors

Including: title, full name and institutional affiliation(s) of those who contributed to your research project, as well as conflict of interest status.

5. Contributions of authors

Outline main contributions of each author, using the CRediT taxonomy system.

6. Applicant declaration

Agree / disagree with Data Protection Statement.

7. Monitoring and marketing feedback

The Academy of Medical Sciences accepts its responsibilities to reflect the communities in which it works. We are therefore committed to a policy of Equal Opportunities and applications are welcome regardless of marital status, sexual orientation, age, disability, ethnic origin, or religious belief.

We request this information to monitor the Academy's activities with respect to the beneficiaries of proposals and awards, and applicants. It is not used in the application review process: it is not provided to any CATAC reviewers or judges. (By providing this information, you are agreeing to us holding this information, under current data protection legislation, and will be helping us to monitor our practice).
