

ACADEMY OF MEDICAL SCIENCES FELLOWSHIP ELECTION 2019

REFEREE'S REPORT

Guidelines for the completion of the report form: If you have been asked to referee more than one candidate, please complete a separate report form for each one.

The prime criterion for election to Fellowship of the Academy is the contribution of sustained excellence to the medical sciences. This contribution may be demonstrated in a number of different ways and, in structuring your report, you are asked to assess the merits of the candidate under certain headings. Not all categories will be appropriate to all candidates.
