

The University of Sheffield Medical School

Implemented Activities

The project aimed to raise the profile of academic medicine by implementing a Summer Studentship programme to allow students earlier access to and experience of academic research and to allow those students to be mentored and encouraged to enter intercalated degrees.

Summer Studentships:

- The programme launched in 2014/15 and 6 students went through the programme.

INSPIRE is coordinated by the Academy of Medical Sciences and supported by the Wellcome Trust. INSPIRE activities are designed and delivered locally by individual medical schools.
