Current post funding

What is the source of funding for your current post (i.e. salary)?	Institutional/External body
Please specify (e.g. HEFCE funded lectureship, award from a named research council or charity)	
What is the overall value of this funding, excluding your personal salary, overheads and indirect costs? <i>You must include staff salaries, PhD student stipends and consumables.</i>	

Other research support

Detail any other research funding you already secured that relates to the Springboard award period (i.e. Feb 2018 to Feb 2020). List the individual source(s) of funding and, for each, indicate:

- the total amount (excluding overheads and indirect costs);
- % share of the funding (if you are a co-investigator); and
- start and end dates of the funding.

You must include any source of funding that will be active after the earliest possible award start date (i.e. Feb 2018). For example:

- Start-up packages
- Staff salaries
- PhD studentships (include stipends and consumables)
- Project grants
- Equipment grants
- Collaborative awards

--

What is the total value of research funding support available to you over the Springboard award period?

Note: For round 3, the award period refers to the earliest possible award start and end dates, Feb 2018 to Feb 2020.

Refer the source(s) listed in answer to the questions above to calculate your funding support. If co-investigator on an award, or co-supervisor of a staff member/student, only include your share of the funding in the calculations. Calculations must include staff salaries, PhD student stipends and consumables.
