Winter Science Meeting

14:00 **Session 4:** Becoming a manager and leader: Lessons from a researcher who became a boss

Council Chamber, First floor

Facilitated by Dr Steve Cross, public engagement and communication consultant, trainer and strategist.

15:00 Refreshments

Council Reception Room, First floor

Please can all poster presenters take their posters down by 15:30.

15:15 **Session 5:** 'Research in 3'

Council Chamber, First floor

Chair: Professor Tilli Tansey OBE FMedSci

Dr Robin Basu Roy, University of Oxford
Exploring mechanisms of paediatric immunity to M. tuberculosis infection in children

Dr Sarah Alderson, University of Leeds
An interrupted time series analysis of the Campaign to Reduce Opioid Prescribing

Dr Nisreen Alwan, University of Southampton
Studying Lifecourse Obesity PrEdictors (SLOPE)

Dr Marc Bailey, University of Leeds
Novel therapeutics for Abdominal Aortic Aneurysm

Dr Nicolas Barry, University of Bradford
Unveiling the chemistry and anticancer properties of electron-deficient organometallics

Dr Lucy Bowes, University of Oxford
Adolescents at risk of depression: understanding the impact of bullying using virtual reality

Dr Sasha Howard, Queen Mary University of London
Genetic regulation of pubertal timing

Dr Thomas Treibel, University College London
Myocardial Fibrosis in Aortic Stenosis

Dr Jonathan Cox, Aston University
Investigating the physiology of Mycobacterial sp. for antimicrobial drug discovery

16:00 **Keynote lecture**

Council Chamber, First floor

Chair: Professor Marina Botto FMedSci

Professor George Davey Smith FMedSci, Director of the MRC Integrative Epidemiology Unit, University of Bristol

16.45 Prize-giving and closing remarks

Council Chamber, First floor

Professor Marina Botto FMedSci

17:00 Drinks reception

Ground floor, Laurie Landeau and Fellows room

We will be taking photographs at the meeting. If you do not wish to have your photograph taken please make yourself known to an Academy staff member at the start of the meeting.
