The Academy has the right to seek reimbursement in the event an overpayment of the Grant is made to the UK Host Institution, including by setting such overpayment off against payments due under other Academy grant programmes to the UK Host Institution. The Academy also has a right to refuse applications from the Host Institutions where it is concerned about an aspect of any Final Expenditure and Annual Researchfish Research Output Submissions or in the event of non-delivery of such reports.
  - xiii.   - xiv. Annual Researchfish Research Output Submissions must be approved, and the Final Expenditure Report must be signed by, the head of the department of the UK Host Institution and the Overseas Host Institution in which the Grant is held.
  - xv. In the event that the Applicant completes the activities funded by the Grant without spending the full amount of the Grant, the Overseas Host Institution must repay all unspent sums to the UK Host Institution which must, in turn, repay such sums to the Academy and the Academy will not be obliged to make any further payments to the UK Host Institution in respect of the Grant.
  - xvi. The completed Final Expenditure and Final Annual Researchfish Research Output Submission received by the Academy represent the final statement of expenditure of the Grant. The Academy is not obliged to make any further payments in respect of the Grant once it has received such report.

- v. After the research project funded by the Grant has ended, the UK Host Institution and the Overseas Host Institution must seek permission from the Academy to continue to use or retain any Equipment or other asset purchased by the Grant. Any future usage would need to be for research purposes only, and the Academy reserves the right to require the Equipment to be disposed of and the proceeds returned to the Academy.
- vi. In the event that the Lead Applicant or UK Co-Applicant transfers to another Host Institution during the Grant Period, permission should be obtained from the UK Host Institution and the Academy for the Equipment to be transferred to the new Host Institution at no cost, and this permission should not be unreasonably withheld. Any proposal to transfer the ownership of the Equipment to any other person must be approved in advance by the Academy and the Academy may attach certain conditions to the provision of its consent.
